# Teaching in English Lunch Time Gathering **Jan.23**

- How should we teach in English to students who already struggle in English?
- How can we prevent one-way teaching and involve more students in the classroom?
- How do we deal with the differences in students' language abilities?

## **Open to all faculty at Sophia University**

(Faculty currently teaching in English, faculty who plan to teach in English in the future, faculty who have international students in their classes, etc.)
